

## **GREAT AMERICAN DAYS DRIVING EXPERIENCE**

---

**Q: Where do the NASCAR driving experiences take place?**

A: At Championship tracks throughout the United States, including CA, TX, KS, AL, NC, FL, PA, KY, OH, CO, IL, TX, WI, DE, GA and many more.

**Q: When do NASCAR driving experiences take place?**

A: Generally, the experiences are seasonal (Spring through Fall) due to weather. However, in CA and FL (which have more temperate weather) they are available year-round.

**Q: I'll be at the track for a Championship race. Can I schedule my experience for then?**

A: No, racing experiences are not available for the week before and the week after Championship races.

**Q: What happens if there's bad weather?**

A: The school you will be attending will advise you if your experience is unable to take place. Unless otherwise instructed you should always go to the track at the arranged time. Our instructors are experts and will make the decision about racing. If you do not show up because you believe it is poor weather but the school has given the go ahead for the experience you will forfeit your booking. You should always attend your experience unless specifically told otherwise. No refund or compensation will be given.

**Q: How far in advance should I book?**

A: In order to avoid disappointment we recommend that customers book as early as possible even though this maybe many months in advance and do not organize travel or accommodation until the booking has been confirmed.

**Q: How long does the experience last?**

A: The length of your experience depends on the NASCAR package you book. You should expect to be at the track for at least 3-4 hours.

**Q: Are there any restrictions for participants?**

A: The window opening of the vehicle is approximately 15"x30" so you must be able to fit through this. All drivers must be less than 6'4" and weigh less than 300lbs. The minimum age is 18.

**Q: What should I take with me?**

A: A photo I.D.

**Q: What is the appropriate attire?**

A: You should wear comfortable clothing suited for the time of year. Please wear flat, closed-toed shoes, sneakers are ideal. Boots are prohibited.

**Q: Do I need any special equipment?**

A: You do not need to bring any specialized equipment as racing suits, helmets and neck supports are provided free of charge.

**Q: May I take friends and family with me?**

A: Yes, you may bring guests with you to the track. They are welcomed to sit in during the classroom session and training. However, they will not be able to accompany you inside the stockcar, but can watch you from a designated area.

**Q: I have a medical condition, can I still participate?**

A: Please contact Great American Days for further information.

**Q: May I take pictures?**

A: Yes, you are welcome to bring a camera, video camera, etc. However, photography is not allowed while you are in the vehicle for safety precautions.

**Q: Do I receive any additional information after I have ordered?**

A: Yes, you will be receiving a confirmation pack which contains all the information you will need leading up to the day of your experience. In it you will find information about the track, directions on how to get there, what you should expect, etc.

**Q: How fast can I go?**

A: As fast as you want and feel comfortable with. The stockcars are capable of reaching speeds over 180 mph.

**Q: Will there be other drivers on the track?**

A: Yes, there will be up to 8 other drivers on the track with you.

**Q: How big is the 15"x30" window?**

A: The usual cutoff is about a 46-48" waist. If you go to the track and you can not fit into the vehicle because of size restrictions, we will refund your gift certificate as per our Terms and Conditions.

**Q: Can my guests ride along with me?**

A: No. The car is equipped to hold only you and the professional instructor. There is no back seat or additional space.

**Q: Who rides along with me?**

A: A highly trained professional instructor who is there to ensure you have a fun and safe time. Whenever you are in the car, an instructor will always accompany you.

**Q: May I race the other participants?**

A: Yes, you are encouraged to pass the other participants. If you think someone is going too slow, pass them!

**Q: Is the car I will be driving a full size NASCAR stockcar?**

A: Yes, we only use full size stockcars.

**Q: Do I need to know how to drive a manual car?**

A: No.

**Q: What racing school will I be attending?**

A: We work with a wide variety of top-rated racing schools throughout the U.S. The school you attend will be dependent on location and time of year, along with other factors.

**Q: If I want to drive more laps, can I just pay for the extra laps?**

A: Yes, but you must upgrade your package at time of scheduling. Upgrades are subject to availability.

**Q: Do I get any free souvenirs from the track?**

A: No, but you are encouraged to take as many pictures as you like.

**Q: If my experience is cancelled by the school, how do I reschedule?**

A: If for some reason the school has to cancel your experience (due to weather, mechanical problems, etc.), they directly will reschedule your lesson for a date and time of your convenience.

**Q: How long is the track?**

A: The length of the track varies and is dependent on the Championship track you choose for your experience.

**Q: I don't have a valid driver license. Can I still participate?**

A: Yes, but please contact Great American Days for confirmation.

**Q: I don't have driving insurance. Do I need it?**

A: No. All of our racing schools are fully insured.

**Q: I don't know how to drive. Is that o.k.?**

A: You are required to have a basic ability to drive a vehicle. If the school deems you as unfit or unsafe to drive, we will stop your experience.

**Q: If I've got other questions, who can I ask?**

A: Great American Days customer service will help answer any questions or queries you have.
